Subject: Letter of consent for PubMed index

Dear Sir,

Journal of Women's Health Care promotes researches that make a significant contribution in advancing knowledge for women health issues and it provides good data for the people aiming to improve the quality of life for women. Journal of Women' Health Care is a journal that put the care of the women through their life span apriority and the journal staff have worked very hard for the journal to establish its high professional standing and thereby we recommend this journal to be indexed in PubMed.

Warmest Regards.

Dr. AbdelAzim A Ali,

Associate Professor,

Faculty of Medicine, Kassala University.
