National Library of Medicine Building 38A - Room 4N-419 8600 Rockville Pike Bethesda, MD U.S.A. 20894

I am favorably impressed by OMICS group Epidemiology: open access. It is so beneficial to the researchers worldwide and contribute to the dissemination of knowldege and stand alone as a rich source of references for researchers.

"I strongly recommend the Epidemiology: Open Access to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing."

sincerly yours

Ahmad Alshihry
