To whom it may concern.

Dear Office/Editor of the National Library of Medicine,

My name is Francesco Di Pierro and I am the lead scientist of Velleja Research a research-based Italian Company; I have published more than 100 scientific papers (almost 30 on PubMed). I am also in the editorial board of Journal of Alternative & Integrative Medicine (AIM). The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing and there by recommending this journal to be indexed in PubMed.

Best regards.

Francesco Di Pierro
