Letter of recommendation for indexing in PubMed

July 20, 2013

To

National Library of Medicine Building 38A - Room 4N-419 8600 Rockville Pike Bethesda, MD U.S.A. 20894

I hereby express my great interest in continued service in Cardiovascular Pharmacology: Open Access as an Editorial Board Member. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Sincerely yours,

II-man Kim, Ph.D.
