I hereby express my great interest in continued service in *Journal of Pain & Relief* as Editor. I further give my consent to disclose by the Journal my affiliation and contact information.

I do not have any conflict of interest, which would interfere with this important service for science, medicine and technology communities.

I strongly recommend *Journal of Pain & Relief* to be indexed in PubMed Central. This unique Open Access journal has become a very good source of information related to spine and spinal cord with many subscribers all throughout the world. We also appreciate Editor in chief and other Editorial Board members and Journal staffs have input hard works to establish its high professional standing.
