July 10, 2013

To whom it may concern,

I strongly recommend the Journal of Clinical & Experimental Ophthalmology to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Therefore, I hope that you will consider their application strongly and please feel free to contact me if you have additional questions.

Yours sincerely,

Iva Dekaris, MD, PhD
Associate Professor,
Medical Director,
"Svjetlost" Eye Hospital,
Head, Cornea and Refractive Surgery, "Svjetlost"
Past President, European Eye Bank Association
