Dear Sir or Madam,

since the constant improvement of Medicinal & Aromatic Plants journal in publishing high quality papers, I, Gianni Sacchetti, Editorial Board member of the Journal, would like to support it as expression of our vision of the research about medicinal and aromatic plants, its quality and dissemination.

The Editorial Board Members and Journal Staff have worked very hard for the journal to establish its high professional standing by publishing studies about chemistry, bioactivity and traditional uses of medicinal and aromatic plants. For these reasons I recommend this Journal to be indexed in PubMed.

Thanking you in advance, I convey my best regards.

Yours Sincerely,

Gianni Sacchetti
