Letter of Consent

Ladies and Gentlemen,

I hereby express my great interest in continued service in the journal of **Medicinal and Aromatic Plants** as Editor-in-Chief. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Sincerely yours

Prof. Dr. Thomas Efferth
