I Dr. Manoj K Shukla, hereby express my continued interest to serve Journal of Environmental & Analytical Toxicology as an Editor (or) Author (or) Reviewer. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in reputed indexing sites. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

A handwritten signature in blue ink that reads "Manoj K Shukla".
