Letter of Consent

I hereby express my great interest in continued service in Journal of Powder Metallurgy & Mining as an Editor. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities. I strongly recommend this journal to be indexed in Scopus. The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing and there by recommending this journal to be indexed in indexing platforms.

Sincerely yours,

Mehdi Rahimian
