To whom it may concern

Dear Office/ Editor of the National Library of Medicine,

my name is Paolo Rossi, I'm a the chief of a third-level Headache Centre in Italy (INI Grottaferrata, Rome), and the Coordinator of an Observatory on CAM use in Neurology.

My scientific activity is documented by more than 70 publications on PubMed.

For my research activity I'm in the board of the Journal of Alternative & Integrative Medicine (AIM).

**The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing and there by recommending this journal to be indexed in PubMed.**

Kind Regards

Paolo Rossi
