I hereby express my great interest in continued service to the *Journal of Ergonomics* as Editor-in-Chief. I further give my consent to the Journal to disclose my affiliation and contact information. I do not have any conflicts of interest which would interfere with this important service for the science, medicine, and technology communities.

I strongly recommend that this journal be indexed in PubMed Central. Journal staff and Editorial Board Members have worked very hard for the journal to establish its high professional standing.
