Sir,

Recommendation on the Journal of Community Medicine and Health Education

I strongly recommend this journal to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing. The journal has proven its worth with publishing high quality scientific articles over these years. Once again without any reservation I support that the journal be indexed in PubMed Central.

Kind Regards,

Dr Samson Deji MBChB MPH FWACP Cert, Nuclear Knowledge Mgt.
