RE: Recommendation for Index Status

Greetings:

It is a pleasure for me to offer my strongest support as I recommend that the *Journal of Novel Physiotherapies* be indexed in PubMed Central (PMC). The Journal's editorial staff and the Editorial Board members have diligently prepared this publication toward a high professional standing. With indexing, the contents of the Journal would then be made more accessible to the scientific community.

Best regards,

Sean S. Kohles, PhD
Adjunct Professor of Biology and Director
Regenerative Bioengineering Laboratory
