I hereby express my great interest in continued services with Natural Products Chemistry & Research Journal as an Editor. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

A handwritten signature in blue ink, reading "Valdir A. Braga", is written over a light green rectangular background.
