Pubmed Central Evaluation Committee

July 8, 2013

Dear Pubmed Evaluation Committee:

This letter is in regard your consideration for Pubmed Central index of Journal of Sleep Disorders and Therapy. I strongly recommend this journal to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Sincerely

A handwritten signature in black ink, appearing to read "Xue Ming", is written over a large, empty rectangular box. The signature is fluid and cursive.
