July 18, 2013

Dear Dr. Oliver,

I am writing to express my strong support to the Journal of Health & Medical Informatics for being indexed in PubMed. With the increasing importance of the exchange of public databases and literatures in biomedical informatics, it is extremely important for the community to share the knowledge and articles published in the journals such as JHMI, where PubMed is a perfect platform for such mission.

Sincerely Yours,

Yang Zhang, PhD
Associate Professor
Department of Computational Medicine & Bioinformatics
